Villa Pateh

A gentle escape by the Andaman Sea, embracing the local

Villa Pateh is a private retreat in Sikao, Trang — quietly nestled between Krabi and Trang provinces, just 50 minutes from Trang Airport or 1.5 hours from Krabi Airport. Only a short walk from the Andaman coast and surrounded by peaceful local communities, the retreat features seven Tropical Thai Modern rooms across four unique types — each designed with space, calm, and Southern charm. Guests are invited to slow down and take part in community-based experiences

Our all-inclusive experience includes daily meals and curated activities designed to help you unwind and reconnect with nature.

- 3 nights in a peaceful, locally inspired villa
- International - Thai southern, including a seafood grill (not include alcohol)
- Afternoon nutmeg tea served with gentle vinyl music
- Traditional dessert workshop with local villagers
- Craft sessions: kite-making or pandanus weaving with the community
- Seagrass planting and sunset kayaking at Baan Paklong
- A full-day Andaman island discovery trip
- Mangrove restoration and ocean cleanup, followed by upcycled crafts
- Morning market walk and breakfast at Baan Duhun (Guided Tour)
- Private roundtrip transfers from Krabi or Trang Airport

Optional add-ons (with supplementary charge)

- Local Fishing Boat Ride with local fisherman at our community
- Flavors of Trang – A street food walk tour through time-honored stalls and local favorites in Trang Old Town
- Local Days, Your Way - Personalize your journey through community-based experiences

Three-Night Itinerary

Day One

Arrive and be warmly welcomed by our team.
Settle into your villa and join a traditional dessert cooking class with a local villager.
Enjoy a special set dinner at Bulann Rati, accompanied by soft vinyl tunes

Day Two

Let the season and weather guide your day.
A private speedboat trip to explore the crystal-clear waters of Koh Rok and Koh Kradan — or let us design a custom island journey just the way you like

Day Three

Begin the day slowly — no rush, just rest.
Join a light community craft workshop — create something with your hands, your heart, and a local story. Take part in a simple activity to help restore the local ecosystem.
Help heal the earth, and feel the earth gently heal you.

Day Four

Ease into your final morning at the local market with a traditional breakfast, then leave with memories shaped by the soul of Sikao
