Travel Program

Day 1 Trang Airport – Bak Kut Teh Dim Sum – Tie-Dye Activity – Bridge Across Time (M / L / D)

08.30 The group arrives at Trang Airport. The staff will welcome and assist you. Take you to the van to travel to the famous restaurant of Trang. 🕒 (Meal 1) Taste the taste of Bak Kut Teh With delicious dim sum of Trang at Chok Dee Tae Tiem, the first restaurant in Trang.

10:00 a.m. Take the group by van to Pak Nam Subdistrict, Langu District, Satun Province.
Travel time is approximately 2 hours.

Lunch 🕒 (Meal 2) Lunch is served at a restaurant.

Afternoon, take the group to the Community Learning Center, producing tie-dye fabric by extracting color from local soil for the first time in Thailand. Through the pattern of ancient fossils, prepare to open the door when traveling to Satun to the Geopark, Geopark, through Valuable souvenirs, consumer goods made from natural raw materials are often popular and attract a lot of attention from users in the era of conservation. The highlight should not be missed. Let everyone try Making tie-dye fabric by themselves and bring it back as a valuable item. Eat local snacks and Herbal drinks, refreshing and impressive.

After the activity, the group departs to the hotel at **Seasea Resort**. Enjoy the scent of the sea Relax at your leisure. This hotel is located on Pak Bara Beach. It is quiet and perfect for relaxation.

17.00 p.m. Take the group to the bridge across time. This place has been certified

by UNESCO as "Satun UNESCO Global Geopark" in 2018.

It is a seaside area with a view of Ao Nun or Ao Por, which has a beautiful landscape of the bay in a curve. There are tall mountains shady with trees as a backdrop. Looking out to sea, you can see the islands in the distance, along with local fishing boats parked in rows amidst the emerald green sea.

Dinner 🕒 (Meal 3) Have dinner at a restaurant. Enjoy the seaside atmosphere and listen to the sound of waves hitting the shore while having dinner. How romantic. Return to the resort. Sleep tight and have a good night.

Day 2 Dragon's Spine - Ao Toh Ba - Thousand Peaks Stone Castle - 4 islands of Koh Bulon (M / L / D)

07.00 Breakfast 🕒 (Meal 4) at the resort's restaurant

09.00 Then take a wooden boat tour to see the dragon's spine or the beach that when the water recedes will be a long path. Looking from a distance, it looks like a dragon sleeping at Ao Pak Bara. You can walk, take pictures, and enjoy the view. It is a habitat for the King's Crab and the Sea Bass Clam.

Continue to Ao Toh Ba, a place where millions of years old rocks and ancient fossils gather. Walk around and take pictures of the beautiful view. Find the heart at the end of the cliff, which is called the Silver Heart Square.

Koh Khao Yai, take a boat ride through Tham Phob Rak, see the Thousand-Spectred Stone Castle or the Thousand-Spectred Pagoda, have fun paddling a kayak to see the limestone island sculptures that are hundreds of millions of years old, which are part of the Satun Geopark, the first global geopark in Thailand.

Change the journey from wooden boat to Speed Boat to depart for Koh Bulon.

Lunch 🍽️ (Meal 5) Picnic-style lunch served with drinks, fruit and snacks.

afternoon, we will take you to snorkel at Koh Bulon Maiphai, a small island with a narrow beach.

The natural conditions and scenery of the surrounding sea are peaceful. The water is clear and the sand is white. It is suitable for tourists who want to prove the purity of nature and see various types of coral such as brain coral, lettuce coral, and staghorn coral.

Continue to Koh Bulon Le for snorkeling to see corals in front of the school, such as brain corals, staghorn corals, or capture the atmosphere on the quiet island. You can also kayak and paddle board as alternative activities.

Koh Bulon Rang is a small island in the south. It is a rocky island with no beach or coral reef.

Hin Khao is not an island, it is just a rock formation that protrudes from the water. Hin Khao is the center of the beauty of the underwater world. The highlight is the seven-colored coral or soft corals with many colors that cling to the rocks underwater. Tourists who come to visit Koh Bulon must come to dive at this point. However, because Hin Khao stands out in the middle of the sea, it is sometimes difficult to dive because of problems with waves and wind.

afternoon, at the appropriate time, take the group back to the resort, which takes about 30 minutes.
16.00 p.m. The group arrives at Pakbara Beach. Travel to the resort to rest at your leisure.

Dinner 🍽️ (Meal 6) Dinner is served at a restaurant. Enjoy the seaside atmosphere and listen to the sound of waves hitting the shore while having dinner. How romantic. Travel back to the resort to sleep well and have a good night.

Day 3 Pakbara – Phuphaphet Cave – Wang Sai Thong Waterfall – Thung Nui Hot Spring – Than Kopi – Trang Airport (M / L / --)

07.00 Breakfast 🍽️ (Meal 7) at the resort's restaurant

09.00 Check-out, pack your luggage and prepare for the trip Take the group on a van to Phu Pha Phet Cave, the 4th largest cave in the world, with an area of over 50 rai. Nature has created an amazing beauty with a high ceiling and beautiful stalactites and stalagmites which are over a hundred million years old until 1998 when archaeologists explored the cave according to the story of a wandering monk named "Luang Ta Plaeng" who discovered this cave.

Next is Wang Sai Thong Waterfall. The source of Wang Sai Thong comes from Khlong Wang Noi, which is a stream formed by the overflow of water in a cave under the mountain and flows out through the mountain canyon into various pools below that are layered. The beauty of Wang Sai Thong Waterfall lies in the pools on each level that descend from the top to the bottom, looking like an elephant.

Lunch 🍽️ (Meal 8) Lunch is served at Ban Tung Nui Community. Local Southern food with the aroma of bamboo cooking rice, along with authentic Southern food menus.

afternoon, Take the group to Tung Nui Hot Spring, a new tourist attraction that Satun Provincial Administrative Organization has developed and improved the area to be a tourist attraction and a natural hot spring. The hot spring area is located on the edge of the mountain, surrounded by fruit orchards and rubber plantations. The area is allocated to approximately 5 rai. The bathing pool is divided into male and female areas. It is also a health tourism attraction.

Continued with the community's ancient coffee called "Kopi Ban Ton". This community has been honored as a "OTOP Innovative Tourism Community". It is a Muslim community with a lot of community and cultural capital. One of them is being a source of Robusta coffee in the past. Later, there were many plants that were planted and became money more than coffee.
